Storage of Technical File according to the ATEX-directive

We confirm, that we have received a technical file for storage according to the ATEX Directive 94/9/EC article 8, paragraph 1 (b) (ii) (second sub-paragraph), implemented in Swedish law by the Swedish regulation AFS 1995:5 (6 § clause 2.2).

The technical file (in form of a cd) arrived at SP on 2013-01-11, and was marked:

ATEX TF DYI-SHENG -12120601 First Edition

See also additional information in appendix to this confirmation. Below you have got an order number and a contract number as reference. We ask you to refer to those numbers in your correspondence with us.

We ask you to inform us when the production of the product is closed down, since the storage shall contain 10 years from that date.

Conditions are set out in the applied information sheet SP-INFO 2007:71 and SP-INFO 2004:25 (enclosed).

The file will be stored as order number: **CE3P00272 (Contract no. SC0008-13)**.

Yours sincerely,
