

# Equine LED light therapy pads

## Features:

- Alleviation of pain
- Alleviation of inflammation
- Stimulating the immune system
- Wound healing
- Tissue regeneration
- No Side Effects
- Non-Ablative
- Fast Treatment Time
- Large Treatment Area
- Easy to Use
- Safe and Effective

## Details:

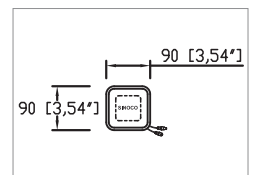

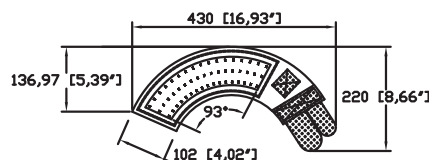

## Technical Parameters:

Parameter	Model	ST-HTL-3W	ST-HTL-S-3W	ST-HTL-M-5W
power		3W	3W	5W
input		DC12V		
N.W.		0.15±0.1kg	0.45±0.1kg	0.86±0.1kg
Wavelength		660nm/ 660nm+850nm/Optional		
warranty		5 years		
Working Temperature		-30°C -45°C		

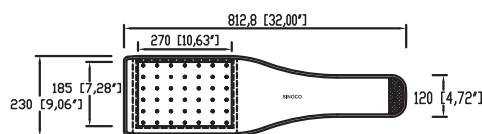

Parameter	Model	AC-DC Charger	Battery Pack
Input Voltage		AC100-240V/AC200-240V	DC11.4V 2200mAH
Output Voltage		DC12.6V 500mA	
N.W.		0.14±0.1kg	0.34±0.1kg

ST-HTL-3W

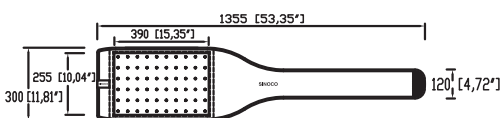

Battery Pack

ST-HTL-S-3W

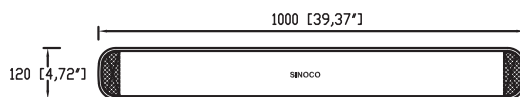

AC-DC Charger

ST-HTL-M-5W

Time Switch(Optional)

Extension Belt

## Cautions:

1. Please do not clean the product into water.
2. Please do not put the battery into the fire.
3. Limited use the products no more than 30 minutes at one time.
4. To avoid damage, please do not replace accessories prior to get the confirmation from the supplier.
