10'x10' Gazebo Ocala

⚠ Assemble Tips

1. Secure the assembly area. Keep children and pets away from the assembly area.
2. It is recommended that two or more adults are involved, to assemble the pergola.
3. Ensure that all connectors & poles are firmly secured in position fully. A unstable gazebo may collapse or damage unpredictability.

🔥 Fire Caution

1. Do not use candles, matches or open flames of any kind in or near.
2. Keep all flame and heat source away from this Tent Fabric. This tent is made with fabric that meets CPAl-84 specifications for flame resistance. It is not fire proof. The fabric will burn if left in continuous contact with any flame source.

⛈ Extremely Weather

1. Do not leave the gazebo assembled when there is a risk of high wind, the top cloth may be blown away and the structure may be damaged.
2. Do not use the gazebo during an electrical storm.
3. Warranty does not cover damage due to extreme weather conditions.

At the consideration of your safe, we designed the knock-down plan for our gazebo series, so that you will save the climbing part.
Please finish the gazebo installing on the ground first and then put up the bottom Post.
